However, it is also portable, which allows for easy transportation to the cabin or Campsite. The Ablaze brand is the original smoke-less fire pit designed by Breeo. Ablaze won the 2014 Vesta Awards with Hearth & Home Magazine!

About us

Since our founding in 2011, all we have ever done at Breeo is build smoke-reducing fire pits. The goal of bringing the smoke-less fire experience to homes across the country has inspired us since the beginning. Our tagline is Rethinking Fire, and it is at the core of who we are. Hand-built by our craftsman in our shop in Lancaster, PA, each individual unit is cut, shaped, welded and polished in America. We would love to revolutionize your campfire experience!
